2010: A.S. International Business - Tompkins Cortland Community College – State University of New York - USA and remote
2003 - 2006: Multilingual Management Assistant - ISSA (Universidad de Navarra) - San Sebastián, Spain

Courses and Certifications ⎯

August 2024: IT Specialist - Databases Certification - Pearson Education Certiport, Remote. see badge
July 2024: IT Specialist - Data Analytics Certification - Pearson Education Certiport, Remote. see badge
May 2024: IT Specialist - Python Certification - Pearson Education Certiport, Remote. see badge
2106 - 2017: Web Development and Javascript short courses - AEPI - Asociación Española de Programadores Informáticos, Madrid.

Data Skills ⎯

Bootcamp: Python, Mysql, Data Analysis and Visualization (Pandas, PowerBI, Tableau, Seaborn, Plotnine), Machine Learning basics.
University: Python, R, PostgreSQL, Data Analysis and Visualization (Matplotlib, Scipy, Numpy, Pandas). Algebra & Statistics. ML basics.
Tools: Spyder, Google Colab, Jupyter Notebooks, RStudio, PgAdmin4, Excel, Mysql Workbench, Visual Studio Code.

Languages ⎯ First languages: Spanish and Basque / Bilingual: French and English / Lower intermediate: German

Strengths ⎯ I am a very analytical, math-loving, detail-oriented and rigorous professional.

Work Experience ⎯
